

PRIVATE DINING & EVENTS

FRANCO'S BAR, RESTAURANT & HEATED TERRACE

Franco's, established in 1945, is considered one of London's first Italian restaurants.

Open for breakfast, Franco's offers both classic continental and cooked breakfast favourites.

The lunch and dinner menus offer a range of authentic and elegant Italian fare, including fresh homemade bread and pasta and sustainably sourced fish and meat. Head Chef Stefano Turconi draws inspiration from Italy's rich regional cuisine, bringing together vibrant Italian flavours with the finest British produce.

A comprehensive vegan and gluten free a la carte menu is available upon request throughout the day.

The bar and heated outside terrace are open all day and provide a convivial atmosphere, creating the perfect place to meet in the heart of St James's.

Franco's impressive wine list showcases an extensive range of Italian wines from the many notable regions of Italy, including an additional 60 rosé in the summer months.
