Heritage Portfolio's mission is to craft remarkable food-first experiences in some of London's unique historic venues. From bespoke private celebrations to impressive launch events, conferences, corporate breakfasts, and memorable receptions and dinners, Heritage Portfolio has been dazzling clients and their guests for over 30 years.

Royal Academy of Arts

features fifteen stunning galleries bathed in natural light, perfect for large receptions or intimate dinners. Add an exclusive private viewing of a blockbuster exhibition to make your guests' experience truly special.

The Wallace Collection

Hertford House is home to one of the world's most impressive fine and decorative arts collections. This hidden gem offers a unique backdrop for weddings, dinners, and events. Choose from the Venetian Room, Back State Room, and Dutch Galleries for a cozy setting, or host grand celebrations in the Drawing Rooms, Great Gallery, or the spectacular covered Courtyard.

At Heritage Portfolio, we serve deliciously fresh and imaginative food, paired with thoughtful service and a generous helping of innovation.
